段落2：从家庭到世间

The video starts with the policeman's son, who is also our protagonist, sitting at home in front of his camera. He begins by talking about his love for food and how he learned to cook from his father. His father, a police officer who has been working hard all day long, comes home tired but still manages to prepare a delicious meal for his family.

<p>But then something unexpected happens - they decide to ta
ke their cooking skills to the next level by attempting to eat wha
t they call "possession pillars". These are giant skewer
s filled with various meats and vegetables that can reach up to 1
0 feet tall! The idea seems absurd at first glance but as we watch
them try different types of meat and vegetables on these massi
